kabbalahbrasil Percepção da Realidade

A #kabbalah permite que a gente veja a realidade como ela é. Esse mundo cheio de problemas e injustiça é só uma projeção do que há dentro de nós. Então o que há lá fora na verdade? E como podemos revelar essa realidade em nós? A Kabbalah oferece um método que aos poucos nos faz experimentar novos sentidos que nos mostra que estamos imerso em um mundo de abundância e amor eclipsado apenas por nosso próprio ego. Venha conosco nessa viagem de autoconhecimento e revelações.

O ser humano tem se distanciado mais e mais da realidade em que vive, imerso em diversas preocupações como trabalho,	The human being has distanced himself ever more from the reality in which he lives, immersed in several concerns such as work,
dinheiro,	money, family,
família,	and knowledge.
e conhecimento.	At a certain moment, in the midst of so many worries, it is invaded by a great emptiness.
Em certo momento, em meio a tantas preocupações, é invadido por um grande vazio.	At that time many questions may arise.
E nessa hora muitos questionamentos podem surgir..	What is the purpose of all this?
Qual o propósito de tudo isso?	Who wins in the game of life?
Quem ganha no jogo da vida?	I think therefore I am!?
Penso logo existo!?	But where does the thought come from?
Mas de onde vem o pensamento?	Am I free to think and act for myself?
Sou livre para pensar e agir por mim mesmo?
